- 15. 4-083; Short term Rentals – Bay Today, The Big Read: How Short term Vacation Rentals are Ruining the Neighbourhood – North Bay News ATTACHED**
- 16. 4-083; Short term Rentals – Cottage Life, Tiny Township approves new short-term rental regulations ATTACHED**
- 17. Admin; Short term Rentals – Cottage Life, What you need to know about Sarnia’s short-term rental regulations ATTACHED**

18. **Admin; Short term Rentals** – London News, Some hosts selling, other tempted to go underground following new short-term rental licencing rules ATTACHED
19. **Admin; Short term Rentals** – London News, London closes door to out-of-town and multi-unit Airbnb hosts ATTACHED
20. **4-083; Short term Rentals** – CBC London, Growing regulation of Airbnb makes hosts legally vulnerable like never before, say experts ATTACHED
21. **Town of Aylmer Resolution** – Request increased federal and provincial funding for Health Unit to develop uniform and comprehensive local responses to extreme heat and cold events
22. **Town of Hanover Resolution** – Support the motion from the Town of South Bruce Peninsula requesting that the Province acknowledge the shortage in all health care worker disciplines and that they take steps to increase the number of practicing physicians in the Province of Ontario
23. **Town of Wasaga Beach Resolution** – Strong Mayors, Building Homes Act, these proposed powers are not appropriate and to outline other ways for the province to institute housing and other matters, proposed changes will not demonstratively speed up the construction of housing and will erode the democratic process at the local level where members of Council have to work together to achieve priorities
24. **Northumberland County Resolution** – Keira’s Law, 1 in 4 women experience domestic violence in their lifetime, 1 woman or girl is killed every other day on average somewhere in our country, most dangerous time for a victim of abuse is when she separates from her partner, the current Canadian court system is not equipped to protect women, no mandatory education for Judges on domestic violence or coercive control, Keira’s Law is named after 4 year old Keira Kagan who was killed while in the custody of her father in 2020, Bill C233 will save lives by amending the Judges Act to establish seminars for judges on intimate partner violence and coercive control
25. **Northumberland County Resolution** – Former Mohawk Institute Residential School Document Release of all Federal and Provincial documents
26. **Township of Ashfield-Colborne-Wawanosh Resolution** – Requests the Ministry of Agriculture, Food and Rural Affairs review the administration fee provided to municipalities for the ON Wildlife Compensation Program, recently increased from \$30-50
27. **Town of Kingsville Resolution** – Opposition to Bill 3, Strong Mayors, Building Homes Act, 2022, changes are unnecessary and will negatively affect the Town, such changes should not be implemented in smaller municipalities, more housing in ON can be accomplished through other means including amendment to the Planning Act
28. **Village of Burks Falls Resolution** – Requests a commitment from Muskoka Healthcare to indefinitely continue the services at the Almaguin Highlands Healthcare Center
29. **City of Owen Sound Resolution** – Changes to Amber Alert System to alert the public of missing vulnerable children who have not been abducted, but are at high risk of danger, injury, or death
30. **Almaguin Adult Learning** – Sep calendar of events; Introduction to Computer, Food & Finance, Soft Skills Solutions, Getting Ahead, CPR/First Aid Certification
31. **AMO’s 2021 Annual Report** – On behalf of the AMO Board of Directors, AMO is pleased to provide the Association’s most current Annual Report. It will form part of the Secretary Treasurer’s report at the Amo Annual General Meeting on Mon, Aug 15, 2022
32. **AMO Policy Update, Throne Speech and Budget** – Priorities of interest to municipal gov’ts include:
 - A 5% increase in payments made through the Ontario Disability Support Program, with a commitment to introduce changes that will increase ODSP rates annually, tied to inflation
 - The introduction of a strong-mayor system, which the province has announced will be tabled in the legislature on Wed, Aug 10, 2022
 - Continued investments in the implementation of the Roadmap to Wellness, Ontario’s plan to build a connected and comprehensive mental health and addictions system
 - A commitment to expand the scopes of practice for community paramedicine programs to allow paramedics to care for people at home, rather than in hospital or long-term care
 - A recommitment to build 30,000 new long-term care beds by 2028, with 31,705 new and 28,648 upgraded beds new in development, with a total investment of nearly \$5 billion over 4 years to hire more than 27,000 new staff that will be needed to provide long-term care home residents an average of 4 hours of direct care per day by 2025
 - A commitment to explore partnering with municipalities to leverage surplus provincial lands and add new incentives to build attainable housing that lowers costs for potential buyers and puts home ownership in reach for more families
33. **AMO Policy Update, Strong Mayors, Building Homes Act** – The Government of Ontario today introduced the Strong Mayors, Building Homes Act, a Bill that would, if passed, alter the governance

and public administration of the cities of Ottawa and Toronto by providing the mayors of both cities with new powers. This bill is positioned as a way to provide municipalities with additional tools to increase the supply of housing and to make housing more affordable. Please see the government's news release for available details

- 34. AMO Policy Update, Provincial Health News form a Municipal Lens, Canada Child Care Plan Update, Flood Hazard Identification and Mapping Program** – The province announced nearly \$764 million in funding to assist municipalities with the cost of their paramedic services operations (average increase of 5% provincially compared to 2021-22 funding levels), expansion of patient care models for eligible 911 patients to provide timely access to appropriate treatment in the community and help reduce unnecessary emergency dept visits (enable paramedics to treat and refer mental health and addictions and palliative care patients to appropriate services in the community where available), Ontario is providing \$47 million through to the end of 2023 to public health units and municipalities to provide financial stability so they can deliver key public health services across the province, improve ambulance offloading, introducing legislation that will support patients whose doctors have said they no longer need hospital treatment and should instead be placed in long term care while they wait for their preferred home, continue to fund community paramedicine to provide additional care for seniors in their own homes before their admission to a long term care home, will continue to provide Covid-19 and flu shots to Ontarians so they can stay up to date with their vaccinations to protect themselves and reduce the number of hospitalizations, key changes to support participation in the CWELCC System, up to 50% matched federal funding can be received for eligible flood mapping projects
- 35. AMO Policy Update, Standing Committee on Bill 3, Strengthening Public Health, Increasing and Preserving Purpose-Built Rental Housing Strategy** – While the AMO did not take a position on the Bill in general, the letter outlines a number of AMO Board recommendations, AMO has consistently advocated for and provided the government with advice on behalf of municipal governments about public health, the province's housing plan must include a "made-in-Ontario" strategy to both increase and preserve purpose-built rental
- 36. AMO 2022, Thank you for Participating in AMO 2022** – more than 2,300 municipal leaders, government officials, public servants, sponsors, exhibitors, and media gathered in Ottawa
- 37. AMO Watchfile Aug 2, 2022, In This Issue** –

- Investments 101 - Training seminars.
- ORFA's Fall 2022 professional development program, Mississauga.
- Careers: South Bruce, Hastings, Simcoe, Tillsonburg and Sables-Spanish Rivers.

42. AMCTO, Legislative Express, In This Issue – Policy Spotlight: Speech from the Throne; struck a conciliatory tone with language about working together and being united, acknowledged new fiscal challenges in Ontario and Canada, particularly given economic circumstances of inflation, indicated that prudent economic management would be required as the Province must be prepared for an economic slow down, Key themes were: keeping taxes low, promoting a competitive business environment, supporting a highly skilled workforce, building roads/highways/and critical infrastructure, ensuring livable and safe communities, Of particular note, the Government: will not be limited by conventional thinking that stifles innovation and preserves a status quo when it comes to healthcare, committed itself to avoiding lockdowns as it says it has the tools to manage the Covid-19 virus and live with variants, called on the federal government to increase its shares of Provincial/Territorial healthcare spending from 22% to 35% in the Canada Health Transfer, spoke about introducing “strong mayor” authority for Toronto and Ottawa and indicated that for urban areas these additional authorities will be important to empower municipal leaders to work more effectively with the province to reduce timelines for development, standardize processes and address local barriers to increasing the supply of housing, talked about working with municipal partners to expand transit-oriented communities, potentially partnering with municipalities to utilize provincial surplus lands and adding new incentives to build affordable housing

43. AMCTO, Advocacy Update: AMCTO at the 2022 AMO Conference – proud to take part in the first in-person AMO conference in 2 years, AMCTO Delegation with the Ontario Big City Mayors; Bill 3, potential politicization of local government leadership and the effect this can have on overall municipal workplace culture, Delegation with Ministry of Finance, the need to index the Ontario Municipal Partnership Fund to inflation to ensure that municipalities have operating funds to cover their increasing costs, Delegation with Ministry of Municipal Affairs and Housing, the impacts Bill 3 has on municipal staff and local accountability, continuing to work toward the reduction of the reporting burden with a public, transparent process involving the Government, AMCTO and other municipal associations, Delegation with Ministry of Public and Business Service Delivery, concerns regarding the 30 yr old Municipal Freedom of Information Privacy and Protection Act, emphasized call for modernization of the legislation starting with a comprehensive review, frivolous and vexatious requests that contribute to the issue of harassment of municipal staff

44. AMCTO, Advocacy Update: Response to announcement of Bill 3 – The changes proposed in Bill 3 run the significant risk of threatening the neutrality of the municipal public service and politicizing local government leadership, concerned with portions of the Bill, such as the mayoral powers to hire the CAO/certain department heads and restructure municipal departments, the Bill does little to enhance municipal accountability, with no evidence to even suggest that these proposed changes will help achieve the goals your government has provided as rationale

45. AMCTO, Advocacy Update: Standing Up for Municipal professionals at Standing Committee on Bill 3: Strong Mayors, Building Homes Act – President Elana Arthurs provided remarks focused on 3 areas of concern:

1. The effective removal of non-partisan local government leaders;
2. The potential for the politicization of senior and other local government officials; and
3. The additional administrative burden the Bill would create for AMCTO members and other municipal staff.

More specifically, we put forward several recommendations for the Committee's consideration:

- That authority to appoint and remove a CAO be kept with council as a whole.

- That the CAO position be made mandatory with specific administrative responsibilities outlined in legislation.
- That appointments of department heads and senior leadership continue to be made by the CAO to ensure that staff and senior leadership remain apolitical.
- That the roles between staff and council be clarified.
- That roles and responsibilities of CAO and mayor as CEO be clarified to distinguish between administrative and political responsibilities as recommended by Justices Bellamy and Marrocco.
- That the timelines on implementing any proposed changes be extended in order to give municipal staff more time to update bylaws, policies, procedures and develop new ones as needed. This will help to ensure adequate timelines for other municipal staff in the future who may be impacted by the expanding of this new structure outside of Ottawa and Toronto.
- That changes be made to various references of minister's regulations to Lieutenant Governor in Council (LGIC) regulations to ensure a more consultative process.
- That the Government consult with the sector including municipal staff associations like AMCTO before introducing these new types of authorities to any other municipalities.

- 46. AMCTO The Municipal Minute** – Canada announces funding to protect against the quantum cyber threat, Former City of Windsor employees launch legal action over Covid-19 vaccine mandate, Government releases report that will advance work on Canada's first national flood insurance program, ON must consult public, groups before expanding "strong Mayor" powers: AMO, Regional Chief Glen Hare asks municipalities for support as First Nations seek funds for police, "I don't sleep" West London residents call halt to street racing noise, Hamilton is the most frugal municipality in S Ontario, Convoy organizers Tamara Lich and Chris Barber to face trial in Sep
- 47. MMAH, Letter from Minister Steve Clark: Strong Mayors, Building Homes Act** – As Ontarians face the rising cost of living and shortage of homes, our government was re-elected with a strong mandate to help more Ontarians find a home that meets their needs. Pleased to inform you that the government introduced the proposed Strong Mayors, Building Homes Act on Aug 10, 2022, that, if passed, would make changes to the Municipal Act, 2001, City of Toronto Act, 2006, and the Municipal Conflict of Interest Act. These amendments would empower mayors in the City of Toronto and City of Ottawa to deliver on shared provincial-municipal priorities and get more homes built faster. If passed, the proposed changes impacting the City of Toronto and City of Ottawa are intended to take effect on Nov 15, 2022, which is the start of the new municipal council term
- 48. Land Information Ontario, Updated LIO Vector Topographic Data Service Now Available** – On behalf of Provincial Mapping Unit: The Provincial Mapping Unit of the Ontario Ministry of Natural Resources and Forestry is pleased to announced the release of an update to the LIO Vector Topographic Data Cache
