

VOLUNTEERS NEEDED !!!

REMOVAL OF INVASIVE PHRAGMITES FROM EAGLE LAKE

For the fifth year all invasive phragmites growing in or near Eagle Lake will be cut and burned at the Machar Landfill. Success for this project depends entirely on our volunteers.

Cutting is scheduled for the mornings of:

Wednesday July 20, Friday July 22, Sunday July 24, Tuesday July 26 and, if needed, Thursday July 28.

Please consider helping out. Volunteers can register by E-mail at: boydf@sympatico.ca or by phoning Machar Township at 705 386-7741. Leave your contact information and the specific day(s) you want to help out.
