During the vacation seasons, our population increases greatly due to the bountiful lakes, recreational opportunities available year round and Mikisew Provincial Park during the summer season.

We are proud to have clean lakes and sandy beaches to please boaters, swimmers, fishermen and nature lovers. The lakes featured in our beautiful Township are Eagle Lake, Bray Lake, and King Lake.

We are also the primary access to Lount Township, Cheer Lake, Deer Lake and Spring Lake.

This booklet is intended to provide useful information for those visiting our Township or residing here.
