MAINTENANCE OF ACCESSIBLE ELEMENTS

The Township of Machar will assess accessible elements in public spaces on an ongoing basis for preventative and emergency maintenance and will provide signage both on site and on the township website in the event of a temporary disruption in accessible service as well as provide alternative accessible service were allowable.

ACCESSIBLE CUSTOMER SERVICE PLAN

The Township of Machar is committed to excellence in serving all customers including people with disabilities.

Communication/Service animals/Service persons

We will communicate with people with disabilities in ways that take into account their disability. We welcome people with disabilities and their service animals. Service animals are allowed on the parts of our premises that are open to the public. A person with a disability who is accompanied by a support person will have that person accompany them on our premises.

Staff training

The Township of Machar will provide training to all township employees. Training will include:

- An overview of the Accessibility for Ontarians with Disabilities Act, 2005 and requirements of the customer service standard.
- The Township of Machar’s plan related to the customer service standard.
- How to interact and communicate with people with various types of disabilities

- How to interact with people with disabilities who use an assistive device or require the assistance of a service animal or a support person.
- What to do if a person with a disability is having difficulty in the Township office

Staff will also be trained when changes are made to the accessible customer service plan.
